

TOEFL® Junior™ Standard Test

The *Test Of English as a Foreign Language, TOEFL®*, sets global standards for English-language assessment in academic environments. The *TOEFL® Junior™* is the appropriate tool to assess the English-language proficiency of middle school students, including their learning progress during a language class. Intended for students ages 12 to 16, the *TOEFL® Junior™* is a general English-proficiency assessment that is not limited to any specific curriculum and provides schools, teachers, parents and students with an objective evaluation of a student's English-language progress.

The *TOEFL® Junior™ Standard test* is designed to measure listening and reading comprehension as well as language form and meaning.
